STAY HOME AND LEARN ARUBA

The COVID-19 pandemic is impacting our global community at an unprecedented scale. Aruba's solutions that help to maintain business continuity across all types of organizations are in high demand, and Aruba is prioritizing fulfillment to our customers who are on the front lines battling this pandemic. Aruba Education Services is also providing technical expertise on Aruba's remote access solutions and increasing virtual learning options for IT professionals at home. (Click here to read Aruba's response to COVID-19)
