

# NEW ARUBA CERTIFICATION PROGRAM

## NEW ARUBA EDGE DIFFERENTIATION

- ✓ Industry's first cross-domain certification
- ✓ Aruba Mobile First Expert (AMFX) will move into this designation
- ✓ Recognizes certification holders for both breadth and depth of knowledge

## ENHANCED RECERTIFICATION POLICIES

- ✓ All recertification requires ONLY written exams
- ✓ Any higher level certification will recertify your lower level certifications\*
- ✓ For Aruba Edge holders, one exam will recertify ALL certifications\*\*

## PREDICTABLE MARKET RELEVANCE

- ✓ 3 year Career Certifications
- ✓ 2 year Product and Sales certifications

## SIMPLIFIED PATH TO EXPERT

- ✓ No pre-requisites for expert certifications
- ✓ Experience counts – only the written and practical exams are required to achieve expert certification

## NO MORE VERSION CERTIFICATIONS

- ✓ We represent you for your expertise, not the product version (v6.4, v8, etc.)

This year Aruba has grown its Certified Professionals by 42%. Aruba certifications are highly recognized within the industry and we are excited to announce advances in the Certification model aimed at simplifying the program and adding a larger return on investment.
