

## Aruba's Free Mobility Master Virtual Appliance Offer

Customers get 2 FREE Mobility Master Virtual Appliances when they purchase \$50,000 of Aruba product with 1 year of Mobility Master Support

### FUTUREPROOF YOUR NETWORK

Aruba Mobility Master enables ArubaOS 8 to deliver live upgrades, active-active redundancy with controller clustering, and more enterprise-class mobility features for always-on network services.

IT professionals managing large networks can quickly deploy new campuses and branches using hierarchical configurations and a choice of virtual or hardware appliance options.

### UPGRADE NOW

Unlock the full capabilities of ArubaOS 8:

- No downtime during network operating system update with Live Upgrade.
- Create multiple separate secure networks using the same access point with MultiZone.
- Hitless failover in a controller failure event with Controller Clustering.
- Self optimizing RF management for today's dense environment.
- Existing customers can transfer current AOS 6.x licenses to Mobility Master with AOS 8 at no cost.

### END USER OFFER

End Users in the US and Canada can get 2 FREE Mobility Master Virtual Appliances when they purchase \$50,000 of Aruba Hardware and/or software, with 1 year of Mobility Master support. Offer is valid November 1, 2018 through December 31, 2018
