

ARUBA COMPETITIVE WLAN TRADE-IN PROMOTION

Customers in Canada receive \$125/AP trade-in discount for competitor's access points

For your business to succeed you need to embrace mobility – allowing your employees and customers to be able to work anywhere, on any device. With the explosion of smartphones, tablets, and IoT, the way you design, use and manage your Wi-Fi network has become a critical business requirement.

Aruba 802.11ac wireless access points deliver superb Wi-Fi performance and can be deployed as controller- managed, controller-less (Aruba Instant), or remote access depending on the design, scope and scale of your wireless network. Our newest Wave 2 APs deliver secure, screaming fast 11ac speeds with a HPE Smart Rate multi-gig up-link to boost network performance in high-density environments.

In Gartner's "Magic Quadrant for the Wired and Wireless LAN Access Infrastructure" 2017 report, Aruba was highlighted in the leader's quadrant for completeness of vision and ability to execute – the analyst firm notes "Clients globally should consider HPE Aruba for all wired / WLAN access layer opportunities...".

Now is the time to upgrade your Wi-Fi network and take advantage of this competitive trade-in promotion!

CUSTOMER OFFER
