

## SERVICE BRIEF

# ARUBA EDUCATION CREDITS FOR CERTIFICATION TRAINING (H1EJ9E)

APJ Region 2 Pricing Update, Effective December 2020

### HOW TO PURCHASE TRAINING

There are two ways to purchase training: by credit card on the Aruba training site or by purchase order through a distributor. For purchase orders, instead of buying individual classes, you buy training credits with part number H1EJ9E. Aruba training credits provide flexibility to take the training you need when you need it.

Customers seeking eligible training can browse the Aruba training site by course or by searching.

### HOW TO CHECK YOUR BALANCE

If your company purchased a large block of credits and you wish to check your balance, please email [arubatraining@hpe.com](mailto:arubatraining@hpe.com) with your distributor's PO number.

### LOCAL CURRENCIES

All purchases must be in local currencies. The prices listed below are in USD for reference. To obtain the most current local price for training credits, please check with your channel sales team.

### HOW TO USE TRAINING CREDITS

For schedules and registration, please email [patsy.choy@hpe.com](mailto:patsy.choy@hpe.com).

### HOW LONG DO THE CREDITS LAST

Your Training credits must be applied to a course registration within one-year of their purchase date.

### PARTNER TRAINING

Aruba offers a 30% discount on internal training for Partner Ready for Networking members.

### CANCELLATION POLICY

Cancellations received at least 12 business days prior to start of class will receive a full refund or be able to transfer the fee to another class. You may cancel your registration for a class up to 6 business days in advance of the class and apply credit to a future class.

No credit or refund will be given for any no-show or class registration canceled less than 6 business days prior to a class date. If a registered participant is unable to attend the course, a substitute is welcome to take their place.

### PRICE LIST

Each course requires a different amount of training credits. Check out the sample below of our popular Aruba networking courses. To learn more, visit the [Aruba training website](http://Aruba training website) or email us at [arubatraining@hpe.com](mailto:arubatraining@hpe.com).

### WHAT COUNTRIES ARE IN REGION 2?

Bangladesh, Brunei, Cambodia, China, Hong Kong, India, Indonesia, Laos, Macau, Malaysia, Maldives, Myanmar, Nepal, Philippines, Singapore, Sri Lanka, Taiwan, Thailand, Timor Leste, and Vietnam.
