

# E-RATE SOLUTIONS

From access points to controllers, switches to software-defined solutions, racks, UPSs, and other accessories, Aruba has a wide range of E-rate-eligible solutions to choose from. Use the Aruba [E-rate Eligibility Lookup](#) Tool for specific sku information.

Software Licenses for eligible services are eligible under Category Two Internal Connections  
 Accessories for eligible items are eligible under Category Two Internal Connections  
 Support for eligible items may be eligible under Category Two Basic Maintenance

\*Cost Allocate – Support levels over and above NBD Exchange may need to be cost allocated. Refer to Aruba E-rate website for more information.

Aruba's Hardware Limited Lifetime Warranty is applicable to a subset of Aruba hardware products, detailed at:  
[www.arubanetworks.com/assets/faq/FAQ\\_product\\_warranty.pdf](http://www.arubanetworks.com/assets/faq/FAQ_product_warranty.pdf)

## WHAT IF I HAVE ADDITIONAL QUESTIONS ABOUT ARUBA'S E-RATE OFFERING?

Simply email [erate@hpe.com](mailto:erate@hpe.com) to get more information about Aruba's products and services, or to be connected with an Aruba value added reseller.

Eligibility shown in this document is based on product functionality, as indicated in the Funding Year Eligible Services List. This document is offered as informal guidance. Additional guidance from USAC about the E-rate eligible services, including a glossary of terms, is available at USAC's website at [usac.org/sl/](http://usac.org/sl/). Final eligibility of any component (and the E-rate service category in which discounts should be requested) will be determined by technical configuration (use), installation location, user population served, cost-effectiveness, and other E-rate regulatory requirements.
