For Aruba Wireless LAN Radios

AP 134

> Enclosures & Enclosure Systems

From simple polycarbonate or steel enclosures to fully integrated, pre-configured solutions that include power and temperature control, TerraWave Solutions offers the broadest array of Aruba compatible enclosures that can solve any deployment challenge. Each enclosure carries a NEMA rating and is engineered for east installation and to protect against theft and tampering, offering maximum protection for all your networking equipment.

Ceiling Enclosures	323398	TW-CTEN-P	12x24x8 Plastic Ceiling Tile Enclosure
Polycarbonate Enclosures	395231	V12106-L-O-3.25	12x10x6 Enclosure w/ Solid Door & Latch Locks
	329715	V12106-L-C-3.25	12x10x6 Enclosure w/ Clear Door & Latch Locks
	528651	V12106-C60-O-3.25	12x10x6 Enclosure w/ Solid Door & CAT60 Lock
	528652	V12106-C60-C-3.25	12x10x6 Enclosure w/ Clear Door & CAT60 Lock
	576347	V14126-L-O-3.25	14x12x6 Enclosure w/ Solid Door & Latch Locks
	576346	V14126-L-C-3.25	14x12x6 Enclosure w/ Clear Door & Latch Locks
	576345	V14126-L-O-3.25	14x12x6 Enclosure w/ Solid Door & CAT60 Lock
<i>Heated/Cooled Enclosures</i>	576344	V14126-C60-C-3.25	14x12x6 Enclosure w/ Clear Door & CAT60 Lock
	528690	V14126-L-0-3.25-H	14x12x6 Heated Enclosure w/ Solid Door & Latch Locks
	576308	V14126C60O3.25H	14x12x6 Heated Enclosure w/ Solid Door & CAT60 Lock
	528693	V141206LO3.25HC	14x12x6 Heated & Cooled Enclosure w/ Solid Door & Latch Locks
<i>Fully Integrated, Pre-configured Enclosure Systems</i>	528695	V141206C60O3.25HC	14x12x6 Heated & Cooled Enclosure w/ Solid Door & CAT60 Lock
	529171	VA01-AP53	Fully Integrated Outdoor Enclosure System
	575820	VA01-AP60	Fully Integrated Outdoor Enclosure System w/ Integrated Antenna
	575824	VA01-12-055-AP49	Fully Integrated PoE Powered Outdoor Enclosure System w/ Heating & Cooling Capability
	529209	VA01-12-055-AP55	Fully Integrated PoE Powered Outdoor Enclosure System w/ Integrated Antenna & Heating & Cooling Capability

> Enclosure Accessories

To simplify deployments TerraWave has designed enclosure accessories that provide secure mounting solutions. Whether mounting your enclosure to a wall or utility pole our mounting solutions are designed to last, allowing customers the assurance that their network equipment is safe.

393720	WMK-10	Wall Mount for 10" Wide Polycarbonate Enclosures
343903	TW-FLEX-10-WM	Wall Mount for 10" Wide Steel Enclosures
363287	WMK-12	Wall Mount for 12" Wide Polycarbonate Enclosures
383359	TW-FLEX-12-WM	Wall Mount for 12" Wide Steel Enclosures
303580	TWPMK-10-12-UNIV	Universal Pole Mount Kit for 10" & 12" Wide Steel & Polycarbonate Enclosures
527249	TW-RJ45-15"	RJ45 Feed Through Kit

> Lightning Protection & Surge Protection

For additional protection from external elements TerraWave always recommends using lightning protection and surge suppression to ensure the safety of your Aruba network.

324117	TW-LP-RPSMA-P-BHJ	RPSMA Plug to RPSMA Bulkhead Jack Lightning Arrestor
576175	TW-SP-1GBPS-10-1T	Single Port 1 Gigabit 802.3at Surge Suppression

> Grounding Accessories

Regardless of environmental conditions proper grounding should always be used when deploying network equipment in any outdoor environment.

318696	TW-LP-BAR-9PORT	8 Port Ground Bus Bar
329606	TW-LP-ENC-9PORT	9 Port Enclosure Bus Bar
308609	TWS-400-GRDKIT	400 Series Cable Ground Kit
348910	TWS-600-GRDKIT	600 Series Cable Ground Kit

> Cable Assemblies

These pre-built cable assemblies allow you to make connections from your Aruba access point to external antennas, lightning protection and any other equipment. Custom cable assemblies can also be made using any combination of our standard connectors and cable. TerraWave cable and connectors have been used in wireless deployments for over 10 years.

100 Series	311498	100-19-20-P18"	18" TWS-100 Antenna Cable w/ RPSMA Jack to RPSMA Plug
	332152	100-20-30-P18"	18" TWS-100 Antenna Cable w/ RPSMA Bulkhead Jack to RPSMA Plug
195 Series	379734	195-19-20-P3'	3' TWS-195 Antenna Cable w/ RPSMA Jack to RPSMA Plug
	331915	195-19-20-P5'	5' TWS-195 Antenna Cable w/ RPSMA Jack to RPSMA Plug
400 Series	301807	400-19-20-P10'	10' TWS-400 Antenna Cable w/ RPSMA Jack to RPSMA Plug
	345513	400-19-20-P25'	25' TWS-400 Antenna Cable w/ RPSMA Jack to RPSMA Plug
	362197	400-19-20-P50'	50' TWS-400 Antenna Cable w/ RPSMA Jack to RPSMA Plug

> Connector Adapters

For flexibility during installation, TerraWave's connector adapters allow you the ability to connect any two pieces of networking equipment, regardless of the termination.

319095	RPSMAP-RPSMAP	RPSMA Plug to RPSMA Plug
399662	RPSMAP-RPSMAJ	RPSMA Plug to RPSMA Jack
329231	RPSMAJ-NP	RPSMA Jack to N Plug

> Connectors

Whether you need to re-terminate an antenna cable or make cable assemblies in the field TerraWave has connectors for each series of cable.

100 Series	446914	CON-19-100	RPSMA Jack for 10 Series Cable
	414908	CON-20-100	RPSMA Plug for 100 Series Cable
	449982	CON-30-100	RPSMA Bulkhead Jack for 100 Series Cable
195 Series	475930	CON-19-195	RPSMA Jack for 195 Series Cable
	358950	CON-19-195-EZ	RPSMA Jack w/ Captivated Center Pin for 195 Series Cable
	444926	CON-19RA-195	Right Angle RPSMA Jack for 195 Series Cable
	303878	CON-30-195	RPSMA Bulkhead Jack for 195 Series Cable
	432900	CON-20-195	RPSMA Plug for 195 Series Cable
	368457	CON-20-195-EZ	RPSMA Plug w/ Captivated Center Pin for 195 Series Cable
	314792	CON-20-195-RA	Right Angle RPSMA Plug for 195 Series Cable
200 Series	334415	CON-20-200	RPSMA Plug for 200 Series Cable
240 Series	304340	CON-19-240	RPSMA Jack for 240 Series Cable
	368587	CON-19-240-EZ	RPSMA Jack w/ Captivated Center Pin for 240 Series Cable
	338804	CON-20-240-EZ	RPSMA Jack w/ Captivated Center Pin for 240 Series Cable
	394980	CON-30-240	RPSMA Bulkhead Jack for 240 Series Cable
	364735	CON-20-240	RPSMA Plug for 240 Series Cable
	400 Series	432923	CON-19-400
368412		CON-19-400-EZ	RPSMA Jack w/ Captivated Center Pin for 400 Series Cable
464918		CON-20-400	RPSMA Plug for 400 Series Cable
318283		CON-20-400-EZ	RPSMA Plug w/ Captivated Center Pin for 400 Series Cable
600 Series		329792	CON-19-600-EZ
	319889	CON-20-600-EZ	RPSMA Plug w/ Captivated Center Pin for 600 Series Cable

TerraWave, a Ventev brand, offers the largest selection of Aruba compatible products that allow you to deploy, protect, power and improve the performance of your Aruba network. Available exclusively through TESSCO Technologies, TerraWave products create the best-in-class wireless accessory ecosystem. For a full list of Aruba compatible products, please visit www.terra-wave.com/Aruba or call 800.851.4965.
