

## ARUBAOS-CX OVA

# ADDITIONAL LICENSE AUTHORIZATION FOR ARUBAOS-CX OPEN VIRTUAL APPLIANCE (OVA)

### DEFINITIONS

Capitalized terms not otherwise defined in this ALA document are defined in the governing agreement.

TERM	DEFINITION
<b>User</b>	A person who installs, configures, or interacts with the OVA in any way.
<b>ArubaOS-CX OVA</b>	The object code version of ArubaOS-CX OVA software and any associated media, printed materials and “online” or electronic documentation, for the sole purpose of enabling User to use the Software Product for demonstrations and for research purposes (the “Purpose”).

### SOFTWARE SPECIFIC LICENSE TERMS

Software specific license terms for Virtual Switch appears below.

**Restrictions on Use.** No intellectual property license, and no other license of any kind is granted except for the limited right to use the Virtual Switch Software Product only for the Purpose. User shall not reverse engineer, disassemble, or decompile the software portion of the Virtual Switch Software Product. User shall not transfer the Virtual Switch Software Product to, nor share the Products with, any third party.

**Modifications.** HPE may alter features, specifications, capabilities, functions, release dates, general availability, or other characteristics of the Virtual Switch Software Products without notice to User. HP maintains all Intellectual Property Rights to modifications made to the Virtual Switch Software Products as a result of any suggested improvements, collaboration with or enhancement request made by the User.

**Support.** No support will be provided for the Virtual Switch Software Products.

**Disclaimer of Warranties.** User accepts the Virtual Switch Software Products “AS IS”, with any errors or defects. CUSTOMER ACKNOWLEDGES THAT THE PRODUCTS MAY HAVE ERRORS OR DEFECTS. HP MAKES NO EXPRESS OR IMPLIED WARRANTY OF ANY KIND WITH RESPECT TO THE PRODUCTS, AND SPECIFICALLY DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

**Alterations by User.** User shall not alter the Virtual Switch Software Products except with the prior written consent of HPE.

**Freeware.** Notwithstanding the terms and conditions of this ALA and the EULA, all or any portion of the software portion of the Virtual Switch Software Product which constitutes non-proprietary HPE software or software provided under public license by third parties ("Freeware") is licensed to User subject to the terms and conditions of the software license agreement accompanying such Freeware whether in the form of a discrete agreement, shrink wrap license or electronic license terms accepted at time of download. Use of the Freeware by User shall be governed entirely by the terms and conditions of such license.
