End-of-Sale of ClearPass Legacy Licensing SKUs

Aruba, a Hewlett Packard Enterprise company recently announced ClearPass 6.7 which introduced a new licensing methodology. With this announcement we are signaling the end-of-sale of the legacy ClearPass licensing SKUs listed in the chart(s) below, which also includes the corresponding, new replacement SKUs. ***This is not the end-of-sale of the ClearPass product line.***

We are accepting final orders for the legacy ClearPass Hardware Appliances and Add-on License SKU's through June 30, 2018; however, hardware SKUs are subject to availability, and at Aruba's discretion, the actual end of sale date may be earlier.

Customers requiring Onboard or OnGuard can purchase the equivalent NL Add-on licenses assuming they convert their legacy Virtual Appliance licenses and upgrade to ClearPass 6.7. **(REVISED-12/12/18)**

End of Support for the products is **May 1, 2024 (REVISED-12/12/18)**. We strongly encourage you to transition all backlog and new business to the recommended replacement products.
