We currently expect to be accepting final orders through June 30, 2022; however, product availability is determined by announced End of Sale (EoS) date or depletion of inventory whichever comes first. We strongly encourage customers to transition all backlog and new orders to the replacement products that are identified in this announcement.

FlexNetwork 5130-HI Switch Series Replacement Products

The replacement SKUs for these 4 switches and 1 module will be announced at their GA launch, May 2, 2022. At that time HPE will release the recommended 5140-HI replacement SKUs for the FlexNetwork 5130-HI Switch Series going End of Sale. The FlexNetwork 5140-HI will represent the latest in silicon, chip and component upgrades and features.

Final Orders for FlexNetwork 5130-HI Switch Models

We will accept final orders through the End of Sales based on product availability. We strongly encourage customers to transition all backlog and new orders to the replacement product that is identified in the End of Sale announcement.

Definitions:

- End of Sale (EoS): The date when Aruba announces the End of Sale (EoS) and End of Support Life (EoSL) for a given product to the general public.
- End of Sale (EoS) Date: The product is no longer available for purchase after this date and is removed from all price lists. However, product availability is determined by announced End of Sale (EoS) date or depletion of inventory whichever comes first. We strongly encourage customers to transition all backlog and new orders to the replacement product that is identified in the End of Sale (EoS) & End of Support Life (EoSL) announcement.
- End of Warranty Date: The product is no longer eligible for warranty claims after this date. For Limited Lifetime Warranty products, this date is the same as the End of Support Life (EoSL) date.
