AP-135-F1	Aruba 135 Wireless Access Point (3x3:3 802.11n, dual radio, internal antennas), FIPS/TAA Compliant	Planned to be introduced in first half of CY2012

We currently expect to be accepting final orders through April 30, 2012, however this final date will depend on the continued availability of stock and, at Aruba's discretion, the actual end of sale date may be earlier than April 30, 2012. End of support for the products is April 30, 2017. We strongly encourage you to transition all backlog and new business to the suggested replacement products as the recommended solutions.

Definitions
