# ARUBA EDUCATION CREDITS FOR CERTIFICATION TRAINING (H1EJ9E)

EMEA - Region 3 Pricing Update, Effective October 1, 2019

## HOW TO PURCHASE TRAINING

There are two ways to purchase training: by credit card on the [Aruba training site](#) or by purchase order through a distributor. For purchase orders, instead of buying individual classes, you buy training credits with part number H1EJ9E. Aruba training credits provide flexibility to take the training you need when you need it.

Customers seeking eligible training can browse the Aruba training site by [course](#) or by [searching](#).

## HOW TO CHECK YOUR BALANCE

If your company purchased a large block of credits and you wish to check your balance, please email [arubatraining@hpe.com](mailto:arubatraining@hpe.com) with your distributor's PO number.

## HOW TO USE TRAINING CREDITS

For schedules and registration, including classes offered by our [authorized training partners](#), visit the [Aruba training site](#). Our [Training Registration Guide](#) and further details, sales reps can refer to our [Arubapedia page](#).

## HOW LONG DO THE CREDITS LAST

Your Training credits must be applied to a course registration within one-year of their purchase date.

## PARTNER TRAINING

Aruba offers a 30% discount on internal training for Partner Ready for Networking members. To get the 30% discount on

training credit purchases, please have your Channel Account Manager (CAM) create a Big Deal in BMI for the discounted training credits.

## CANCELLATION POLICY

Cancellations received at least 12 business days prior to start of class will receive a full refund or be able to transfer the fee to another class. You may cancel your registration for a class up to 6 business days in advance of the class and apply credit to a future class.

No credit or refund will be given for any no-show or class registration canceled less than 6 business days prior to a class date. If a registered participant is unable to attend the course, a substitute is welcome to take their place.

## PRICE LIST

Each course requires a different amount of training credits. Check out the sample below of our popular Aruba networking courses. To learn more, visit the [Aruba training website](#) or email us at [arubatraining@hpe.com](mailto:arubatraining@hpe.com).
