

# Silver Peak Security Advisory

## Notification

### Intel Platform Update (IPU) Update 2021.1, June 2021

**Date:** August 17, 2021

**CVE ID:** Multiple

### Summary

In their June 2021 platform update, Intel published several security advisories and related CVEs about vulnerabilities associated with various platform components.

Intel® Security Advisory	Silver Peak Platform
BIOS Advisory - Intel-SA-00463	EC-S-P, EC-M-H, EC-M-B, EC-M-P, EC-L-B/NM, EC-L-P/NM, EC-XL-B/NM, EC-XL-P/NM
Intel® CSME, SPS and LMS Advisory - Intel-SA-00459, Intel® Processor Advisory - Intel-SA-00464	EC-M-B, EC-M-P, EC-L-B/NM, EC-L-P/NM, EC-XL-B/NM, EC-XL-P/NM
Intel® Atom® Processor Advisory - Intel-SA-00465	EC-XS
Intel® VT-d Advisory - Intel-SA-00442	N/A

**NOTE:** Silver Peak hardware products are single-user systems. Therefore, these advisories are not relevant.

### Details

The full details of CVEs associated with these security advisories can be found in the following table:

Intel® Security Advisory	Related CVEs
BIOS Advisory - Intel-SA-00463	<a href="#">CVE-2020-8700</a> , <a href="#">CVE-2020-8670</a> , <a href="#">CVE-2020-12357</a> , <a href="#">CVE-2020-12358</a> , <a href="#">CVE-2020-12359</a> , <a href="#">CVE-2020-12360</a> , <a href="#">CVE-2020-24486</a>
Intel® CSME, SPS and LMS Advisory - Intel-SA-00459	<a href="#">CVE-2020-24509</a> , <a href="#">CVE-2020-8704</a> , <a href="#">CVE-2020-24507</a> , <a href="#">CVE-2020-8703</a> , <a href="#">CVE-2020-24506</a>
Intel® Processor Advisory - Intel-SA-00464	<a href="#">CVE-2020-24511</a> , <a href="#">CVE-2020-24512</a>
Intel® Atom® Processor Advisory - Intel-SA-00465	<a href="#">CVE-2020-24513</a>
Intel® VT-d Advisory - Intel-SA-00442	<a href="#">CVE-2020-24489</a>

## **Applicability to Silver Peak**

These vulnerabilities do not affect Silver Peak appliances including EdgeConnect and NX. They are not applicable to virtual appliances EdgeConnect-V, VX, and Silver Peak Unity Orchestrator/GMS.

**Applicability to Silver Peak Products:** Low to None

**Recommended Action for Silver Peak Customers:** None

**Resolution:** Not Applicable

Thank you,  
Product Security Incident Response Team at Silver Peak
